Hi Laura,

As a follow-up our conference call this morning and clarification to the increase ceiling amount, attached is the draft TD04-Mod A form.

I've increased the ceiling to Ex. 5 Deliberative Process (DP) and increased the provider hrs. to Ex. 5 Deliberative Process (DP)

And added the to the Proposed Schedule the following line (in red):

- The Contractor shall provide public hearings comment support services listed in task 2. (TBD). The Contractor shall provide comment support services to support to EPA's expedited delivery schedule.

I am planning to send you, with cc's to Terry, Terry and Erin an official TD04-Mod A with your concurrence.
